County Commission Votes 3-2 To Back One Courthouse

The Coffee County Commission, by a vote of 3-2, with one abstaining, voted Monday to endorse a petition calling for the consolidation of the county's courthouses into a unified one-courthouse one-jail setup.

Comm. Bennie Beckham made the motion, and it was seconded by Maxwell Reeves. In favor of the motion were Beckham, Reeves and Don Smith, while voting no were Rex Boutwell and Gilmer Grant. Comm. Jack Hornsby abstained from voting.

THE ELBA CLIPPER attended the morning session of the meeting, and although it did not attend the afternoon session, it was aware of the motion to be made. Comm. Bennie Beckham phoned THE ELBA CLIPPER during the noon hour and stated, "I feel the commission has stood by and done nothing long enough. It's time to provide some leadership, and I'm going to make a motion that the commission endorse the petition to have one courthouse and one jail."

When asked directly if this meant the county commission was going to endorse a petition now circulating to move the County Seat to Enterprise, Beckham replied, "No, I do not know where the new building will be, and don't care. I am not advocating moving the County Seat out of Elba. I am only saying the commission needs to go on record in favor of one courthouse and one jail at one site."

Monday's regularly scheduled meeting began at 10:00, at the Courthouse Annex in Enterprise, and one of its first visitors was Enterprise Mayor Don Donaldson, who stated, "I come to represent the City Council, and come in a spirit of cooperation. I have come to offer a site for a jail to be built to serve the Enterprise division of the county. We have a place ready to serve you. The land is located behind the Courthouse, and consists of 2.8 acres known as the Goodman property. All the land is paved except 100 feet, and we would like the commission to consider the site."

"Thanks for your interest," stated Probate Judge James L. Sawyer, "and we do appreciate your help in choosing a site."

"We are talking about a jail for the Enterprise division," reemphasized Councilman Dr. John Lester, "and this site has water and sewage already available. It already had 2 entrances and we could easily add 2 more. We think this would be the proper place."

The commission thanked the members of the delegation for coming, but took no action. A letter from Donofrio and Associates, a local architectural firm, was read to commission, and it stated the firm has a signed contract with the county, signed on Oct. 4, 1976, which states the firm will do the work on plans for a new

jail, and that it could present the plans to the Grand Jury on Dec. 3, on which day the commission must show plans to be partially funded by the government, and when some requirements on material were added, we had to drop some roads. Enterprise agreed to pay for paying in the City Limits, and while it will cost \$29,000, the city only set aside \$6,500. The city won't cover the costs, and we don't have the money. We got the Federal funds to do rural work, and not work in the City Limits. This

meeting and stated, "We let a contract for several roads to be resurfaced and it cost \$270,912.32. The paving was to be partially funded by the government, and when some requirements on material were added, we had to drop some roads. We got the Federal funds to do rural work, and not work in the City Limits. This

County Attorney Warren Rowe said, "If the contract is specific to the Elba jail (which was being discussed at the 1976 meeting) and was continued awaiting Federal funds, it is not binding. If not, it is."

County Engineer Leslie Mullins was present at the

meeting and stated, "We let a contract for several roads to be resurfaced and it cost \$270,912.32. problem is between the county and the city!"

"I would like to at least have Industrial Blvd.," said Comm. Beckham, "and maybe we could get a commitment from Enterprise for a payment next year, and go ahead and do the work now."

"The only commitment would be in good faith," said Mayor Donaldson, "and we can't promise anything."

"The shape that road is in, if we wait another year, it would be in real bad shape," said Comm. Smith. "We

should look at making cuts elsewhere and go ahead and do the paving on Industrial Boulevard."

Mullins again stated he needed some word on the matter "Today," but left without receiving any word of what to do.

Before leaving, Mullins also told the commission, "In looking over the budget I noticed I would run over \$1000 a month on the payroll alone!"

With the budget the way it is, and the salaries the way they are, it means only one thing-

BRAINSTORMS WITH FERRIN COX

Recently while making one of the many reunion, banquet, etc. pictures we make each week, we received an offer of some home-made wheat bread. Well, being a big eater and loving anything fattening, ye olde editor jumped at the chance. The story, as told by Robert English, is that he grew the wheat, ground it into the wheat flour and his wife did her well-known magic in the kitchen, and the oven yielded a great loaf of fresh, warm brown bread. The lone piece I received was even covered with melting butter to make me even fatter . . . but it was delicious.

As Elba Tiger supporters, we should offer our thanks to the Andalus Bulldogs for their win last Friday night over the Opy Bobcats. That action put Elba into the state playoffs for the first time ever, and with hopes of the 3A football champs. Of course, they had the help of a bunch of Elba folks who went to the game and cheered for Andy. Some reports indicate there were more Elba folks than Andalusia, and almost more than from Opy, and the game was in Opy!

It is amusing and/or frustrating to watch the county commissioners talk about how broke they are, and how Fob James is the reason they can't pave or repair rural roads. Then they get some federal funds for that purpose and try putting a big hunk of the money right in the city limits of Enterprise. One commissioner wanted to "loan" Enterprise the paving until they could pay for it. . . I wonder how high they would hang him if that actually happened. I bet the voters would never get a chance to voice an opinion on the action, "cause the Feds would haul the whole bunch before that Birmingham Grand Jury that ain't scared of the devil himself.

Last week ye olde editor was taking pictures at the football game in New Brockton, and they were giving away a big ole hundred-dollar bill. Wishing I had a chance to win, but knowing I hadn't even given a donation, there was very little time spent dreaming of how to spend the money. Well, while they were

called out Eugene DeVane's name. Since he wasn't there I motioned to announce Jimmy Peacock that I would take the bill to him. Jimmy suggested I let Jim Gene to come get his money, but in the end, a member of the Athletic Club did allow me to "hold it" for an hour until Eugene and son, Wesley, drove to my house and got the money. They explained they were leaving bright and early Saturday morning for their cabin at the beach. It was bad enough to have to part with the money, but here I was staying in Elba to work, and they were bound for the beach and the fishing. . . but, ha! I raised all day Saturday.

Plans are moving forward for the Christmas Parade on December 8, and now Elba High Band Director Steve Thompson has decided to announce Jimmy Peacock that I would take the bill to him. Jimmy suggested I let Jim Gene to come get his money, but in the end, a member of the Athletic Club did allow me to "hold it" for an hour until Eugene and son, Wesley, drove to my house and got the money. We don't have anything in writing on this, but we understand the Elba - Estaula football game will be played on Able TV next Monday night. A time is not definite, but it should be somewhere in the neighborhood of 7 p.m. It will be on the weather channel, so if you enjoy watching a ball game, even after you know the outcome, be there. If you don't have cable, get it; if you can't get cable and want it, fuss at your city council and let them fuss at the company holding the franchise, "cause they (the new company) promised to make it available everywhere and ain't done it yet.

The Elba Water and Electric Board met Tuesday night and decided to try for thirty more days to get folks to sign up for the water extension. Right now about 78% of the projected signees have signed up, and at this rate, some areas will simply have to be cut off without the city water, and it will be in rural areas that have problems with their water, and it will be unfortunate if they get eliminated, but when you have one or two users per mile, the cost is just too high. Once the areas have been cut off, and the government approves the project, it is too late then for someone to get up in arms and change their mind.

DEATH

MRS. ODIE MADDOX

Funeral services for Mrs. Odie Maddox, age 83, of Rt. 2, Enterprise, were held Tuesday, October 30, 1979, at Woodland Grove Baptist Church, with the Rev. Silas Shepard, Billy Gregory and Bud Goodson officiating. Burial followed in Seary's of Enterprise cemetery.

Mrs. Maddox was the oldest of seven children born to Maude and Ike Peavy of the Woodland Grove Community where she lived until a few years ago, when she moved to Enterprise to make her home with her daughter, Vera.

She was a member of Woodland Grove Baptist Church, and served the church as organist and later pianist for forty years.

She was the widow of T. L. (Louie) Maddox, and her husband bore no children of their own, but raised seven homeless children, some of which knew no other mother but her.

Survivors include six of these children: five daughters - Vera Fredrick of Phenix City, Ala.; Rosa Singfield of Atlanta, Ga.; Vera Curenton, Enterprise, Maylene Stamm, Mcbrville, Pa.; and Shirley White of Rt. 1, New Brockton;

and one son, Harold Reeves of Andalusia. She is also survived by one sister, Olene Reeves of Andalusia, 25 grand-children and 45 great-grandchildren.

SENIOR SPOTLIGHT

Mrs. Lucy Capps

MRS. LUCY MARIE ALLEN CAPPS

This week the Senior Spotlight shines on yet another old, sweet and gentle Southern lady - Mrs. Lucy Marie Allen Capps. Mr. Yancey was a prominent farmer in the life of Miss Lucy. Mr. Yancey and Miss Sophia and other families in the community were worshipping at the time, under a "brush arbor" and Miss Sophia said, "Shucks, I'm not gonna say a church without a road over my head" and perhaps this is the reason Mr. Yancey donated the land for the church, cemetery and schoolhouse.

Now, let us find out a little something about Miss Lucy and her early childhood and life.

Miss Lucy was born and reared in Talbotton, Georgia. She was born May 10, 1885, one of eight children born to William Townsley Allen and Josephine Chapman Allen, and she is the only surviving child of the eight.

Mr. Allen fought in the Confederate War; he was a policeman in Talbotton and also owned a plantation there. His parents, Miss Lucy's paternal grandparents, came from England, via South Carolina, then to West Georgia, by way of or on car, and from there, they settled in Talbotton.

Miss Lucy's daughter, Mrs. Mildred Warren, in talking with us, told us Miss Lucy's mother, Josephine Chapman Allen, and her experiences during the War Between the States. Mrs. Allen buried meat under the family's horse to prevent the Union soldiers from finding it, but they did kill all the hogs and cows belonging to the family. The soldiers also helped while they slashed her pillows and beds.

This happy lady lived 55 years and produced 10 children, ending only with the death of Mr. Capps in August of 1960.

In the early part of their married life, they lived in Mt. Zion, Brantley, Andalusia, and then moved to Mr. Zion, which they called home, and where they lived until Mr. Capps' death.

Mr. James Thomas Capps had eight brothers and sisters. All are now deceased, with the exception of one brother, Webster Capps, who is better known as "Bud," and makes his home in Lurven.

Mr. Capps was a Baptist minister and farmer, and when they were residing in Andalusia, he worked in a packing house.

She taught me value, To love and to share, How to cope and turn to God When I was in despair.

I loved her more Than I told her I did But somehow I think she knew Though the words might not be said.

Her outlook on life Was an inspiration to all And she never said no when needed Though requests weren't always small.

Mrs. Warren recalls many treasured memories from her parents' long and happy life together, and we'd like to relate a few of them now.

About her mother, (Miss Lucy), Mrs. Warren said, "she was a sweet mother - she was kind of strict. When she and Daddy spoke, we knew to mind. She was an excellent seamstress - she made real pretty, fully dressed for us. She enjoyed all kinds of finger work, and she used to sew for the public a long time ago. She also enjoyed fishing, but mostly stayed around the home and visited with her neighbors.

"She was a real good cook - everybody loved to come to Mama Lucy and Daddy Jim's house to eat. That was what everybody called them. Every Sunday at church, he'd ask ANY and EVERYBODY to come eat Sunday dinner with them, and as a result, Mama Lucy and Daddy Jim were never empty-handed. But, this never seemed to fluster her, and I can remember groaning tables full of food, and we never ran short - everyone went away with a full stomach!"

Mrs. Warren also said, "If anyone was ever sick in the community, Mama and/or Daddy were ALWAYS there to help out - one would stay home with the children, and the other would stay with the sick one in his home; then they'd exchange places."

She also said this about her parents (A lot of us parents COULD and SHOULD take note of this). She said, "Mama and Daddy didn't SEND us to Sunday School and Church - they WENT THEMSELVES and CARRIED us!"

Let's talk about Miss Lucy's children now, her pride and her joy, as she will quickly tell us. The firstborn child was William Capps, who died as a child of nine, with typhoid pneumonia.

The second child, and first daughter, is Frances Mildred. She was first married to Aubrey Turman, a truck driver. They had one son and one daughter. Mr. Turman was killed in an automobile accident; she then married Alphonse Warren, who was a farmer (before his retirement). She and Mr. Warren had one son and one daughter.

Mrs. Warren has worked in sewing factories in Elba (7 years before it closed), Lurven (7 years), and Kingston (7 years).

Nona Kate Capps Willis resides in Jacksonville, Florida, with her husband, Otto, who is in the insurance business.

Mr. Capps was a Baptist minister and farmer, and when they were residing in Andalusia, he worked in a packing house.

always worked in various jobs.

Willie Donald Capps of Phenix City, Alabama, is married to Grace Marler, formerly of Opy. They are the parents of one child. Mr. Capps owns a store, and Grace helps him in the running of the store.

There was another child - a son - who died shortly after birth.

From the above, Miss Lucy is the proud grandmother of 22; the proud great-grandmother of 27; the proud great-great-grandmother of 6; and the proud great-great-great-grandmother of 1 - making a total of 56 "grands," and even more unbelievable, SIX generations, which is highly unusual in this day and age! And, let us mention that the six generations are all descended from the females in the family. Miss Lucy is lovingly called "Mama Lucy" by the children.

Miss Lucy is a member of the Taylor Hill Baptist Church.

In closing, let us thank Mrs. Warren for talking with us and sharing with us the interesting details of her mother's life, and we hope you enjoyed hearing about Mrs. Lucy Marie Allen Capps as much as we did.

Visit the nursing home SOON!

Beauty Pageant Coming Up

Here it is, November already, and the Annual Zion Chapel Beauty Pageant is just around the corner. The pageant will be an event of the evening of November 20, 1979, at 7:00 p.m. in the school gymnasium.

This year the pageant will be modified. In addition to selecting the Elementary Beauty from girls in K-4, and the Campus Beauty from girls in grades 9-12, there will be a Jr. High Miss selected from young ladies in grades 5-8.

The entertainment between sections of the program will be provided by Coach Mike Lindsey and Mr. Randal Myers.

The beauty pageant is sponsored by the REBEL '80 STAFF and Mrs. Rachel Bryan.

Class Completes Science Projects

Mrs. Lowery's 8th grade science class completed our 9 weeks' projects recently. Even though it sounds like hard work, it was fun as well as a challenge. We had been studying things like stars, constellations, Kelvin Scales, and the H & R Diagram. Some students made pictures and wrote reports on these subjects. Others made posters, booklets, experiments, and

models. It was fun as I'm sure it will be next time.

Junior Cagers Begin Practice

By: Kim Leverett

Junior basketball practice has begun at Zion Chapel. The participants are boys in the eighth and ninth grades who are interested in roundball. There are presently nine practicing, but more are expected to try out in the next few days. The first days of practice have been spent working on fundamentals.

The Zion Chapel team will be under the able guidance and direction of head basketball coach Mike Lindsey.

The Rebels have a total of eight games scheduled with the other county school. All games will be played with the B game beginning at 6:00, and the A game beginning at 7:00.

Rebels To Play

Notasulga In
Playoffs

By: Chris Sanders

The Zion Chapel "Rebels" will play the Notasulga "Blue Devils" in the first round of the Class 1A State Playoffs.

The game will be at Notasulga; kick off time is 7:30 p.m.

Notasulga is a strong team and they are quick and fast. This will be a decisive factor in the game.

Zion Chapel has not been to the state playoffs since 1974 when they went as far as the final game.

Perhaps we will win that final game this year.

Rebels Return To Victory Road

BY: GREG BRUNSON

The Zion Chapel Rebels got back on the winning track this past Friday night with a hard fought 14-0 victory over the Wickburg Panthers. With this win, Zion Chapel completed its season with a 6-2 mark as they prepare for their "State Playoffs" clash against Notasulga in Notasulga.

The game was marred by a large number of turnovers, 12 in all. Neither team seemed to be playing with great intensity, but the Rebels showed signs of developing a much needed passing attack.

Neither team was able to move the ball effectively on their first few possessions. The Rebels began their first scoring drive on their own 23 yard line with about 2:30 to play in the first quarter. On the third play, Tony Calhoun hooked up with John David Parker on a 54 yard touchdown pass play.

Calhoun passed to Mike Carney for the two point conversion, so with 1:26 to play in the first quarter Zion Chapel lead 8-0.

After this score, both teams showed a letdown, as the play became rather sloppy. Zion Chapel threatened twice more before the half. They were in

excellent field position as results of two more Wickburg fumbles. The half ended with Herman McClain being pulled down inside the one yard line, inches short of another Zion Chapel touchdown.

The Rebels fumbled the second half kickoff giving Wickburg a first down on the Zion Chapel 35 yard line. The "Rugged Rebel" defense held on four plays, and took the ball over. Four plays later, Wickburg recovered a Zion Chapel fumble and were in business again, this time on the Z.C. 45.

The Panthers drove the ball down to the Rebels 24 before this drive was halted by another fumble, this one recovered by Cecil Acreman.

Zion Chapel was unable to move the ball on their next possession and were forced to punt. The next three possession ended in lost fumbles. The final score of the ballgame came with 3:55 to play in the fourth quarter. Tony Calhoun once again fired a long pass to John David Parker, who hauled in the pass and galloped into the endzone. The play covered a total of 67 yards and completed a three play drive.

Zion Chapel will journey to Notasulga for the first round of the State Playoffs this Friday night. This should prove to be a very good ballgame. Good Luck Rebels!

Zion Chapel Rebels Journey To Notasulga In March For Class A Crown

The Zion Chapel Rebels, one of the top Class A teams in the state for many years, are back in the playoffs this year, and the first step toward a Class A crown will come Friday night when they travel to Notasulga.

Zion Chapel owns a 6-2 record, while the Notasulga team owns a perfect 8-0 slate. When asked about Notasulga, Coach David Collins reported, "They're so much faster than us, it's pitiful."

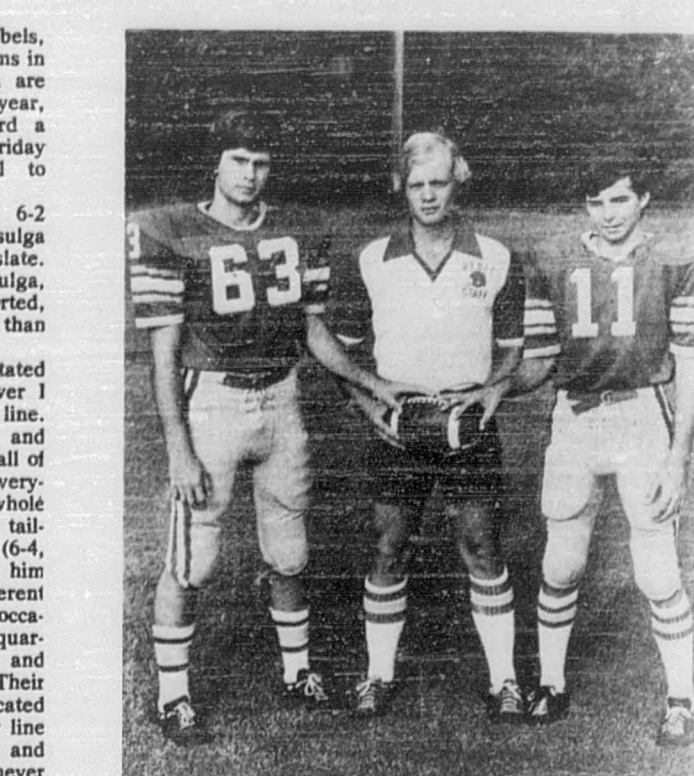

"On offense," stated Collins, "they run a Power I with tight splits in the line. They run power plays and come straight at you, but all of a sudden they'll split everybody out and cover the whole field. They have a super tailback in Curtis Nettles (6-4, 200), and they like to get him outside. They use 2 different running backs on many occasions, and also use two quarterbacks; one that runs and one that will pass. Their defense is more complicated than their offense. They line up in a 6-2, 5-3, 5-4, 4-3 and 4-4 on defense, and you never know what alignment they'll be in. We've spent a lot of time trying to recognize keys in defense, but it's impossible. They just do whatever they feel like. They have good size, but rely on quickness to stop folks, and have some super athletes."

"For us to win," added Collins, "we'll have to keep the ball on offense, and the longer we hold it the better off we'll be. On defense, we'll have to contain their great speed and be alert in the secondary. The key to the game is for us to keep the ball on offense, and be consistent on defense. We expect them to come out gunning, and we'll just have to be ready."

"We've watched films all week," said Collins, and hope to recognize what's coming. I want all our boys to know who they'll be blocking, and what to expect. We're in good spirits and we're ready to go."

Notasulga's Coach Dwight Sanderson feels good to be back in the playoffs, and stated, "This season has been a pleasant surprise. We had a lot of boys that saw action last season, and felt we'd have a good year, but we didn't expect to go undefeated."

"We've only got four seniors," added Sanderson, "and we're not real big. We do have a well-balanced attack, and have good quickness on offense and defense. We don't have super speed, but we don't have any slow people, not even in the line. On offense we run the Power I and Wing I, and run a lot of power. We throw some, but we've got 5 running backs that have carried us, and we'd rather stick to our running game. On defense we've got 2 tackles that weigh over 200 pounds, and even though we're young, we have done a good job."

Zion Chapel quarterbacks Boyd Deal (63) and Tony Calhoun (11) will be leading the way this week when the Rebels travel to Notasulga. In the center is Coach David Collins.

Miss Nail

Miss Nail-Mr. Thompson To Marry

Mr. and Mrs. Merrill Lewis announce the engagement of their daughter, Nina Mae, to Wilbur

Michael Thompson, son of Mrs. Elaine Thompson of Elba, and the late Lewis Thompson.

Miss Nail is a senior at Troy State University majoring in speech and theatre education. She is president of Alpha Psi Omega national dramatic society, and a member of Gamma Beta Phi honor society. Omi-ron Delta Kappa leadership honor society, and Alpha Delta Pi social sorority. She is the granddaughter of Mrs. Giovanna Annigoni of Enterprise, and the late Signor Antonio Annigoni of San Remo, Italy, and the late Mr. and Mrs. H. L. Nail of Barnesville, Georgia.

Thompson is employed by Seacely's Brown-Service Funeral Home of Enterprise. He is the grandson of Wilbur H. Walls, Sr., of New Brockton, and the late Mrs. Bessie Walls, and the late Mr. and Mrs. Edward Thompson of County Line.

The wedding will be held Saturday, December 22, at St. Luke United Methodist Church in Enterprise. All friends and relatives are invited to attend.

It was so nice that Jackie and Jane Brunson were home for one of Jack and Edna's busiest weekends. This stalwart pair was smothered with last minute details, arrangements and obligations. So, these two young people left right into the procedure and were working like beavers Saturday afternoon at Cafe Bonaparte, helping to set the house in order.

With Autumn leaves in their glory, many Elba fans had the urge to drive to Tuscaloosa for Homecoming. The cars and vans were many and well-loaded. Just too many to name, but from many sources, it was a perfect journey and a victorious event.

The Fleetwood Carneys have had their daughter, Melanie (Mrs. T.H. Jones) home for a week's visit. Melanie and Tom are now making their home in Monterey, California. However, Lt. Jones will soon be leaving for a tour of duty in Turkey, and Melanie will be enrolled at the University of Alabama working on her Master's Degree, while he is away.

Mr. Ralph Brunson and son, Alan, of Nashville, Tennessee, have been visiting in the home of Miss Mercer Brunson, and Mr. and Mrs. Forrest Brunson.

Other visitors to the Brunson family have been Mr. and Mrs. Nelson Ball (Aline Brunson) of Saudi Arabia.

Speaking of Elba folks from faraway places, a newsy letter relates a typical holiday in Greece for the Frasier Ringdors.

It takes more than a legal hindrance to dampen the spirit of Dr. Boyce and Linda. They had had reservations for a much deserved holiday at Palm Beach, Florida, but due to unforeseen circumstances, they had to cancel. So, they compromised and slipped quietly away to Panama City for some rest and relaxation. These two versatile people contribute so much to the

many activities of our community. Linda's big sister, Ruth, held the FORT down and carried on with the help of the thoughtful Dorothy Nunez.

The lovely Kim Hudson was home last weekend from Southeastern Bible College in Lakeland, Florida. Kim is a second-year student majoring in Music. She is the daughter of Mr. and Mrs. Kenneth Hudson.

Mrs. T. B. Bryan was the luncheon guest of Miss Anita King in Montgomery Tuesday. The luncheon was held at Mr. G's Restaurant with a fashion show following.

Mrs. and Mrs. Dudley Reeves of Opp were in Elba as the guests of Mr. and Mrs. L. C. Sharpless on Claxon Avenue.

Congratulations to a good friend, Mattie Goodson, on her 90th birthday. Just keep up the good work, Aunt Matt!

Continuous best wishes to Charles and Louise Cox for their faithful and dependable services for 25 years. They have proved that fair and prompt craftsmanship pays in full measure.

May you both be around and useful for many more years!

Mr. and Mrs. Nelson A. Ball (formerly Aline Brunson) were guests of Miss Mercer Brunson last week. The Balls are on leave from his Corp of Engineering duties in Al Batin, Saudi Arabia.

Accompanying them on the several-day visit were their four- and five-year-old grandsons, Charles and Michael Crigue, sons of Mr. and Mrs. Michael Crigue of Tuscaloosa.

All accompanied Ralph L. Brunson and son, Alan, of Nashville, on their visit to Elba to visit relatives.

Miss Donna McCormick To Wed Mr. John Dowling

Mr. and Mrs. Gibbs Rex McCormick, Sr., of New Brockton, announce the engagement and forthcoming marriage of their daughter, Donna Ellen, to Mr. John Carroll Dowling, son of Mr. and Mrs. Richard Warren Dowling, Sr., of Enterprise.

Miss McCormick is the granddaughter of Mr. and Mrs. Norman D. Pinckard of New Brockton, and Mrs. Novella Lord McCormick of New Brockton and the late Thomas Merritt McCormick.

Miss McCormick is a graduate of the University of Alabama in Tuscaloosa, where she received a B.S. Degree in Home Economics. She was a member of Kappa Alpha Theta

Social Sorority. The bride-elect is presently associated with Propane Gas and Appliance Company.

The groom is the grandson of the late Mr. and Mrs. John Lafayette Carroll of Troy, and the late Mr. and Mrs. John Tolbert Dowling of Enterprise.

Mr. Dowling received a B.S. Degree in Business from Auburn University where he was a member of Delta Tau Delta Social Fraternity. He also attended Law School at the University of Alabama and was a member of Phi Delta Phi Legal Fraternity. He graduated with a Doctorate in Jurisprudence in 1973, and is an attorney with the firm

Dowling and Carmichael in Enterprise.

The wedding will take place November 30, 1979, at the home of the bride in New Brockton.

Well, it happened! The Elba Tigers are in the Class 3A football playoffs for the first time in the history of the school. This year's team certainly isn't the most talented bunch of young men to wear the "Black and Gold," but they've worked as hard as any, and will go down in Elba football history as our first playoff team!

Congratulations and keep on going!

I guess Coffee County is the football capitol of the State this week, with three schools competing in the playoffs, and all 3 having good shots at winning state crowns. Stop and think in 4A Enterprise is 9-1, in 3A Elba is 9-1, in 2A New Brockton is 9-1, and in 1A Zion Chapel is 6-2. The Gamecocks couldn't make the playoffs due to their schedule, but they beat a pair of Class A contenders (Zion Chapel and Houston Academy), and knocked off the 8-2 Goheen Eagles (who are headed for the Lion's Bowl). It was quite a year for football in Coffee County.

Back to Elba for a minute. The Tigers travel to Eufaula, and I know it's a long ride, but I want all the Elba fans to make the trip and support our team. The boys deserve it. By the way, I've heard Eufaula is a very emotional team that plays best when excited. Well, let's all yell for the Tigers Friday night and let 'em know we're in town to win!

Ye ole Polish Prognosticator reported his crystal ball is iced over, so this week I'm on my own. Here goes . . .

ELBA VS. EUFAULA

Eufaula is the defending state champion, and is picked by many to win it again. Elba hasn't won 9 games being scared, and they aren't about to get stage fright now. A stunning upset! Elba 17 - Eufaula 13

ZION CHAPEL VS. NOTASULGA

The Rebs are a long way from peaking and must play their best game ever to have a chance. Playing at home could be the major difference! Notasulga 28 - Zion Chapel 14

Houston Academy 14 - McKenzie 8

Coffee Springs Golden Bears

Release Football Statistics

The Coffee Springs Golden Bears, under the direction of Coach Wayne Purvis, have finished their 1979 football season and have released their official football statistics for the season.

The "Yardstick" reveals the Golden Bears made 118 first downs, 1842 yards rushing, 1060 yards passing, for a total offense of 2902 yards. The Bears hit on 51 of 133 passes with 11 interceptions, punted 2 times with a 36.5 yard average, and lost 12 of 22 fumbles. In scoring, Coffee Springs tallied 204 points on 30 touchdowns, 1 field goal, 1 safety and 11 extra points.

Individual statistics show that Mark Threat led all players by scoring 52 points, followed by Keith Jones - 40 points, Greg Landingham 32 points, David Tyler - 24 points, and Billy Thornton - 18 points. Mark Threat, a 6-1, 180 pound sophomore, was also the team's top runner, with 512 yards on 107 carries. Keith Jones rushed for 455 yards on 98 carries, while quarterback David Tyler added 328 yards in 67 carries.

Billy Thornton gained 284 yards in 67 carries, and Greg Landingham added 156 yards in only 15 carries. The Golden Bears' top receiver was Greg Landingham, who caught 24 passes for 440 yards. Mark Threat caught 11 passes for 250 yards. Billy Thornton caught 9 passes for 203 yards, and Jimmy Jones caught 7 passes for 167 yards.

Mark Moore was the leading passer with 28 completions in 68 attempts for 556 yards, followed by David Tyler with 22 completions in 61 attempts for 466 yards. Mark Threat hit on 1 of 3 passes for 38 yards.

In return yardage, the leader was Mark Threat with 382 yards in 24 carries, while in second place was Darrell Messer with 126 yards on 70 carries.

On defense, the Golden Bears were led by J. Henderson with 55 tackles and 45 assists, followed by Mark Threat (72 & 65), B. Thornton (59 & 72), G. Mock (59 & 62), D. Tyler (55 & 64), K. Jones (43 & 59), and G. Landingham (31 tackles & 50 assists).

Elba Tigers Challenge State Champion Eufaula In Opening Round Of State Grid Playoffs

The Elba Tigers, participating in the state playoffs for the first time in the school's history, journey to Eufaula tomorrow night for an opening round clash with the Eufaula Tigers, the defending Class 3A state champions.

When asked about Eufaula, Elba's Coach Mack Wood stated, "Boy, are they good! You can't always judge a team on film, but they remind you of Andalusia. They are the best team we'll have played this season."

"On offense," reported Coach Wood, "they line up and run right at you. They have good size, and block real well, and they have 3 good running backs with good speed. Eufaula executes well and is well-coached. They run out of an 'I' and a 'Power I' and just come straight at you. They don't do a lot of options on quick pitches; they simply try to run right over you. They won't pass a lot, but when they do, they're real productive. Defense is their strong suit. Eufaula uses a 4-4, and a split-6, and they're difficult to block. They don't read, they just come at you. They have two good tackles and two good linebackers, and they love to hit. Eufaula isn't that big, but it's what they do that makes 'em winners. To put it in simple terms, Eufaula is a balanced team in all phases of the game."

"If we play as good as we can, we will be competitive," added Wood, "and we'll have to stay after them, because Eufaula is a very emotional team. We've got to get after

em, and stay after 'em! On offense, we've got to score, because they're real good on defense. We'll have to block better than we ever have, and that makes the play calling very important. On defense we have to be consistent - we can't always judge a team on film, but they remind you of Andalusia. They are the best team we'll have played this season."

"I usually don't like to have an off week," said Coach Wood, "but we needed it and got 2 starters back. We worked hard for two days and the night before we had a good game. We were working for and it did us a lot of good. The week off gave us a little extra time to practice, and helped us get well physically."

In closing, Coach Wood stated, "Eufaula is as good as we've ever played, and we must be able to play with intensity and be consistent. We can't make silly mistakes and must take advantage of any breaks."

Eufaula's Coach George Cochran, in a phone conversation on Tuesday, stated, "Our defense has carried us this far, and I hope it will do the job in our leading runner with 786 yards, and our offense has been getting better in recent weeks."

"On defense we've got 4 starters back, but the real stopper has been sophomore tackle Derrick Richardson. Our defense, we don't throw much."

Junior halfback Don Horstead (33) gained 1197 yards during the regular season, and hopes to add plenty of yardage against Eufaula.

Middle Guard Eddie Coleman (85) has made 104 tackles this season, and will lead the Tiger defense in the playoffs.

As a matter of fact, we haven't been in the field that much on offense. Harry Jackson is our leading runner with 786 yards, and our offense has been getting better in recent weeks."

"We are relatively small on defense. Last year's success has helped this season, and the boys have played as good as they could in every game. Against Elba, our offense is

going to try to make a few first downs and keep the ball away from 'em. If we make some mistakes, they'll put the ball in the endzone and blow us away. Elba has the finest set of backs we've seen, and that means the fullback, tailback and quarterback. They put a lot of pressure on the defense, and to stop them we'll have to recognize their formations and be in the right place at the right time. Our defense will won't key on Horstead, because if we do, they'll go somewhere else. Elba has too much talent to worry about one boy."

In closing, Coach Cochran stated, "I guarantee you, it's going to be a tough game."

First Round Pairings Set For Football Playoffs

All four defending champions - Jeff Davis, Eufaula, Elmore County and Sweet Water - are in the 64-team field for the 1979 state prep football playoffs, according to first-round pairings announced Saturday by the Alabama High School Athletic Association.

First round games are scheduled Friday, November 16 (Thursday or Saturday in some cases), in Classes A, 2A, 3A, and 4A. Quarter-count of Eufaula are set November 23, semifinals November 30, and the finals December 7.

Each class has a 16-team bracket for the four rounds of competition. All the teams in the first round games, along with the overall team records, are as follows:

Elba City Council Suspends Dunaway Two Weeks

The Elba City Council vs. Mayor Robert Folsom. That was the start of a discussion about an incident with Street Superintendent Bow Dunaway and an employee of the city was described by Folsom. He said the opposition to Bow and to him as mayor was the reason for the matter even being brought up. However, when a vote to suspend Dunaway for two weeks without pay was taken and passed unanimously, Folsom added his name to those approving the suspension.

Wise then said, "I have made a motion to that effect several times & I am like you, I don't hide my feelings." Wise then made the motion to hire a new street superintendent but failed to get a second. However, immediately Councilman John Sharpless made a motion to suspend Dunaway.

Grant Is Named To "Who's Who"

Paul Wayne Grant of Elba is among 48 Troy State University students selected for inclusion in the 1979-80 volume of "Who's Who Among Students in American Universities and Colleges."

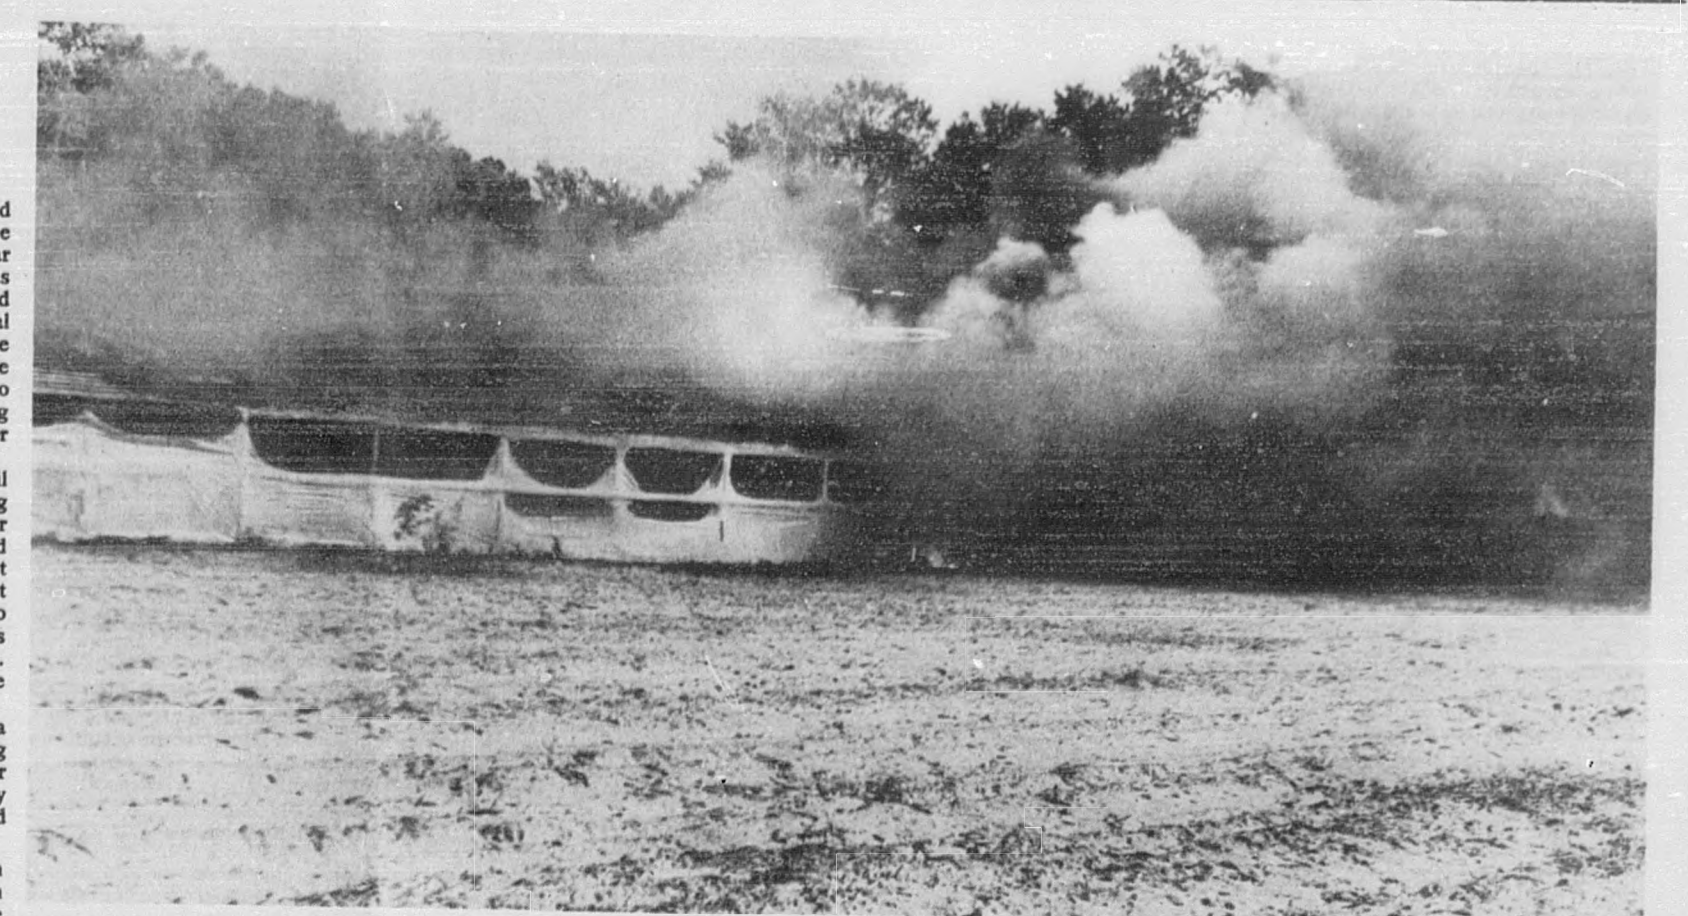

The son of Parker Grant, he is a graduate student seeking his Master's degree in biology and secondary education, with minor studies in physical education.

Grant was nominated by a committee of administrators and faculty members at TSU. Only college juniors, seniors and graduate students are eligible for nomination. They are chosen on the basis of scholarship, ability, participation in academic and extracurricular activities, citizenship and service to their school and potential for future achievement.

Since 1934, "Who's Who" has furthered the aim of higher education by rewarding and recognizing individual academic excellence on a national level.

Fire Hits Local Fern Greenhouse

Extremely fast and efficient action by the Elba Fire Department stopped this raging fire before it destroyed all of the greenhouse and the thousands of ferns growing in it. The project of Mrs. Dawn Gwin, before she had surveyed the damage, she said the flames were first seen in the corner where the electrical wires enter the greenhouse.

County Commission Selects Enterprise Jail Site

The Coffee County Commission voted 5-1 to accept the offer of the Enterprise City Council for a 2.8 plot of land to build a jail for the Enterprise division of Coffee County. The site is the paved area behind the Enterprise courthouse, presently leased to the county.

The decision was made despite the strong objections of Probate Judge James Sawyer and Commissioner Bennie Beckham, as well as Enterprise citizen B. Z. Reynolds, one of the men who filed the lawsuit demanding the construction of a jail in Enterprise. Also opposing the decision was Charles Ward of Enterprise, currently heading the Ward of "move the county seat petition drive."

Reynolds wanted the commission to take "core drillings" of the soil in several sites before making a decision. Ward felt it would hurt the efforts for one courthouse, Beckham wanted time and money preference for some other site, while Sawyer was strongly opposed to the site selected and stated it was for the benefit of the "bankers and the lawyers" and would result in failure of the petition for one courthouse and would insure "two of everything for the next fifty years." He noted that now every time the Commission spent some money in Enterprise, they had to do the same thing in Elba, "whether they need it or not."

According to Sawyer, one jail and one courthouse in Enterprise would eliminate this. The motion on the site was made by Commissioner Don Smith in a special meeting Tuesday morning and was made after all other business had been disposed of without dissent. Immediately Beckham opposed the action, noting the original date of selecting a site in 15 days had already passed, and he wanted to look at this site and others before making a decision. He also wanted some input from surrounding landowners. Smith noted the time in the original motion had run out, they had looked for land on Highway 84 West and can't find any suitable.

At this point Commissioner Max Reeves seconded the motion and Beckham continued his debate. He said he, "had no objections to locating the jail behind the courthouse, but the intent of the petition (petition for one courthouse) is to unite the county. A site on the North end of the county would show Elba, New Brocton and others that Enterprise was giving up something and they would also agree to give up something." He continued with "I want the people to speak, want them to come in and sign the petition and let us vote on it one way or another. If vote fails, let's come back here, build a jail and continue our dual system for the next one hundred years."

Smith stated the petition efforts started a year ago and this judge (Circuit Judge Gamble) has given us until December 29th.

Sawyer noted he couldn't make motions but could enter discussion. He said, "I can give you several reasons we should look elsewhere. We don't have enough room for a jail and sufficient parking for the people of the Enterprise division of Coffee County and anyone could have seen if they had looked at the parking lot during tag buying season." Sawyer also stated this location was for the convenience of the bankers and lawyers.

The judge also said, "I have hoped for a long time we could have one courthouse and one jail for Coffee County. If we do it here (build jail) we

School Displays Harvest Scene

HARVEST TIME IN ALABAMA—This display at the Elba Elementary School includes many of the items often associated with fall harvest in South Alabama. Principal Marion Brunson uses such displays in the lobby of the school to give a fresh look to incoming students and visitors, as well as expose the students to a continuing education.
